Dear Colleagues

PENSION DEDUCTION TORNADO

Following concerns raised by members and the intervention of the Executive the Department are now working with Shared Service Centre to adjust the single operating platform which had identified Tornado Pay as pensionable when it is not.

HMPPS has calculated losses and are taking steps to recover the money and repay individuals as soon as possible.

The NEC have asked HMPPS to leave the monies in individuals pots to avoid any potential long-term complications with individual pensions and just pay compensation. HMPPS are considering this and the financial implications due to employer contributions.

Hopefully, this matter is now resolved, and members will receive the overpayments back in due course.

Please draw the contents of this circular to all members.

Thanking you in anticipation of your support and co-operation.

Yours Sincerely

Steve Gillan
General Secretary
